Dear Senator Blackburn:

Thank you for your interest in the Tennessee E-Rate Consortium waiver matter. Today, the FCC's Wireline Competition Bureau issued an order granting the waiver request. I think we've achieved a good result that ensures the students of Tennessee can get the high-speed broadband they need to succeed in today's digital world.

Please let me know if I can be of any further assistance on this or other matters.

Sincerely,

Ajit V. Pai

Senator, thanks a bunch to you and your team! You helped us get this across the finish line at long last. Appreciate your leadership and support as always.
